

Recall

TOYOTA

RECALL DATE: 24/12/2024

Brand of Commodity	Year of Production*	#Number of Affected Commodities
Toyota LITE ACE	May 13, 2022 through May 31, 2024	182

\*Not all vehicles in this production period, are affected.

#Subject to revision, based on the information received from the manufacturer, from time to time.

**Recall consequence**

The subject vehicles are equipped with mechanical type ignition key. Due to the key removal reminder warning system in the combination meter not being activated, the buzzer will not sound when the key is left in the key cylinder and the driver side door is opened. This condition does not meet the applicable regulation in certain countries.

**Recall Action**

To reprogram the combination meter software and replace the steering lock bracket if necessary.
