Recall Date:25/04/2024

Brand of Commodity	Year of Production	Number of Affected Commodities
Cadillac BLS	2006-2009	18

## Recall consequence

In these vehicles, the front-driver airbag inflator may experience an alteration over time that may result in inflator rupture during deployment. In the event of a vehicle crash and the driver air bag is commanded to deploy, the driver airbag inflator may rupture, causing metal fragments to pass through the airbag and into the vehicle interior, which may result in injury or death to vehicle occupants.

## Recall Action

Dealers will replace the driver air bag module assembly.
